EMAIL & WEB COMMUNICATION: We often use email to send notes and information. Our website is www.willowaydaycamp.com. We attempt to respond promptly to all emails, however, if your matter is of a time-sensitive nature, it is best to call us at **248-932-2123**.

CHECKLIST

Please complete and return the following before your camp session begins:

___ **DUE May 1: PAY TUITION & FEES:** willowaydaycamp.com/payments
(note: you likely signed up for an automatic payment to your credit card when you enrolled. If you have questions, email: camp@willowaydaycamp.com)

___ **DUE JUNE 1: RETURN COMPLETED DOCTOR'S EXAM FORM AND VACCINATION HISTORY** (see forms section of willowaydaycamp.com).

CAMPER GROUPS AND GROUP REQUESTS

Campers will be grouped by gender and grade level with approximately 10-12 campers and two counselors. Giving your child an opportunity to make new friends is a guiding Willoway philosophy. Many campers come to camp not knowing anyone and make friends for life.

- Each group will be created with care. Friend/group requests will be honored as best we can, recognizing size limits, grade level, and gender. **However, requests are not guaranteed, due to the complexity of assembling groups.**
- On your enrollment application, there was an opportunity to make group requests (limited to a MAXIMUM of two).
- **Please note: group requests received after May 1** or that differ from what you put on your enrollment application will be very difficult to fulfill.
- Group request information **is not carried forward from summer to summer.**
- To accommodate group requests, with the start of new sessions, your camper might have to change groups.
- Campers will find out their groups on the first day of the camp session.

CAMP TOURS

We invite you and your campers to join us on camp tours on Saturdays beginning in mid-May. This is a great way for your campers to see and ask questions about camp. To learn more or schedule a tour, please visit willowaydaycamp.com/summer2024. For security reasons, we do not allow tours during the camp day.

CAMP PROGRAMS AND ACTIVITIES

- We are looking forward to a great summer together. In addition to a wide array of activities, special days and events will be offered throughout the summer including our ever-popular Olympic Day and Willoway Carnival.
- **Explorer Trips:** We are looking forward to offering Explorer trips for campers entering 5th-9th grades.
- **Thursday Overnights:** We are excited to bring back our popular Thursday Overnights this summer. Please see the overnight section for more information.
- **Lake Program:**
 - Pontooning: all campers will have the opportunity to go for pontoon boat rides at our lake site.
 - Campers who earn a Black Tag can look forward to the watersports activities (i.e. tubing, water skiing, wakeboarding and knee boarding). See swim tag information at Willowaydaycamp.com/summer2024.

SWIMMING

- Campers will swim twice daily, weather permitting.
- Morning swim is developmental and we are committed to making this a very positive, non-threatening experience.
 - All children are encouraged to participate in morning swim.
 - We ask them to change into their swimsuits and come into the pool area and if they wish only to watch during their swim period, they may do so.
- Afternoon swim is a time to practice new skills, to play games and to enjoy the water.
- **NOTE:** We encourage campers to wear a bathing suit under their clothes in the morning to make changing time quicker!

RAINY DAYS

- We have significant indoor space to accommodate all campers on rainy days
- The occasional rainy day is filled with games, crafts, singalongs and other special programs to ensure just as much fun as sunny days. Willoway legend has it though, that “it never rains at Willoway!”

WHAT TO BRING?

CAMP CLOTHING AND PERSONAL ITEMS: Simple and practical clothes are best at camp. Shorts and T-shirts are in order for warm days. Long pants, sweatshirts and jackets should be worn on cool days, with shorts and bathing suits sent in case of weather changes. Each camper should bring a bathing suit (2 if desired), extra t-shirt & sweatshirt, EVERYDAY in a canvas bag/backpack. Younger campers should also bring a complete change of clothing. All clothing will be brought home daily. **Hint:** Practice changing at home makes changing at camp easier.

SHOES: Only **closed toed shoes** may be worn at camp. Crocs (or other similar shoes) **MUST NOT** be worn at camp.

PLEASE NAME LABEL EVERYTHING, including shoes.

TOWELS: Please send a towel to camp each day, clearly name tagged. Towels dry in the sun in between swim periods, but if you prefer to send 2 towels, you may.

SUNSCREEN Campers should come to camp having already applied sunscreen at home. They should also bring sunscreen from home (**name labeled please**). **Spray sunscreen and sunscreen sticks (for face) are recommended**, so that it doesn't have to be rubbed in. As always, we will continue to have campers re-apply numerous times during the day. Our staff will also help campers as needed in applying. Applying sunscreen is another technique you could practice at home with your campers.

WHAT NOT TO BRING Please **DO NOT** send **Pokemon cards (or similar cards), toys, games, and/or cell phones.** We are unable to look for them and will not be responsible if they are lost.

LOST AND FOUND

We will *attempt* to reunite **name labeled** lost items with campers. If items have names, they will be held up at the end of the day and put in the lost and found area for campers to look for.

We are unable to respond to requests to look for lost items. Our staff are focused on caring for campers. Any unclaimed lost and found items will be available for parents to review on Saturday mornings at camp. At the conclusion of each two-week session, lost and found items will be donated to a local charity.

LUNCHES AND SNACKS

LUNCHES FROM HOME: Lunches that are sent to camp are to be put in **paper bags, with names on them (please do not send reusable bags or lunch boxes)**. After the first day, also put the group name on the bag. Lunches will be refrigerated at camp and a drink and snack will be provided. **We ask your cooperation in NOT sending any food containing nuts to camp or on the bus. Also, we are unable to warm lunches for campers.**

MILK AND COOKIES: We serve a milk and cookie snack each afternoon. For children with milk allergies, apple juice is available.

DRINKING WATER

- Water stations will be set up throughout camp.
- We will take frequent water breaks
- You may **send refillable water bottles** and we will help campers refill throughout the day (please make sure they are name labeled).

Peanuts/tree nuts and other allergies?

Willoway is nut aware. Nothing served by Willoway (including milk and cookies & cookouts) will contain peanuts or tree nuts. Please **DO NOT** send food containing nuts to camp. However, our catered lunches are prepared by an outside contractor and while nothing contains nuts, we cannot guarantee against cross contamination.

Overnights

Willoway's optional Thursday overnights are a fun-filled experience for campers and we are excited that overnights are back after a COVID pause. Each overnight includes special activities including all-camp evening activity, cookout dinner, campfire with s'mores, and breakfast. Willoway overnights are very popular and spaces will fill very quickly. Overnight registration will open on Monday of each week and reservations will be accepted up to our space capacity. Overnight registration will likely close by Tuesday morning and potentially sooner. **We will not be able to accept reservations after we reach our capacity.** Visit willowaydaycamp.com/overnights for more information.

Important Notes

- While overnights are an exciting event for our campers, they are not for everyone. Discretion should be exercised when considering the overnight option for younger campers or those who may not yet have experienced sleeping out.

- If sending overnight medication, please send with clear instructions and give to the bus counselor in a sealed, labeled plastic bag on THURSDAY MORNING.

SAFETY, HEALTH AND WELL BEING

Our Health Care staff will still be able to assist in managing medications, food allergies and other special medical requests.

- **If your camper does not feel well in any way, please do not send them to camp. This is the single most important thing you can do as a parent to insure the health and safety of your child and the rest of our camp community.**
- Lorraine Fisher and Jonathon Koenigsberg, 248-932-2123, are key contact persons during camp to talk with about any health-related concerns.
- **Healthy camp starts at home.** What happens outside of camp is as important as what happens in it. We need to trust one another to make this work. Children must be well, hydrated, free of any symptoms and ready to go.
- **We know that most illnesses will NOT be COVID related,** we will have our share of sore throats, rashes and other typical summer symptoms.
- **However, if your camper tests positive for COVID, please contact us for further guidelines.**
- If your camper is sick at camp and needs to be sent home, you will need to be **able to pick up within one hour of our call home.**

SENDING MEDICATION TO CAMP: If essential medication is sent to camp, please place medication and directions in a sealed plastic bag with the camper's name and group name on both the container and the bag and give it to the bus counselor. All instructions regarding your child **must be both in writing and called into the camp office at (248) 932-2123.**

MEDICATION RETURNING FROM CAMP: Any medication that needs to be returned home will be in a white paper lunch bag in your camper's backpack. Please look carefully for this paper bag.

EPI PENS – UPDATED FOR 2024

If your child will be coming to camp with an epi-pen, please let us know by sending an email to camp@willowaydaycamp.com or calling us at (248) 932-2123 at least 2 weeks in advance of the start of the camp session.

Please send ONE PAIR of epi-pens (or one Auvi-Q) to camp—give to bus counselor each day. During the camp day, they will remain at camp in the first aid station and return home each afternoon. Please be sure to have your child's name on the container.

NOTE: The epi pen will be return home each day in a white paper lunch bag in your camper's backpack. Please look carefully for this paper bag.

CAMPER CELL PHONE & ELECTRONICS POLICY:

- Increasingly, cell phones seem important beginning at a young age.
- However, camp is a place for connecting with nature, building new friendships and generally being "unplugged".
- **Cell phones and devices – including tablets and smartwatches are NOT to be used at camp**. They are best left at home.
- **Cell phones, tablets, and/or smartwatches ARE NOT to be used on overnights. They will be taken away.**
- Campers seen using their phones will be asked to put them back in their bags and if it becomes a bigger problem, we will take them away to be returned at the end of the day.
